About Our Company

Welcome to HelixTrade, where innovation meets investment excellence. Established in 2004 and headquartered in England, HelixTrade has grown into a dynamic and forward-thinking investment company specializing in pipeline transportation, forex trading & stocks, oil and gas, and real estate. With a proven track record of nearly a decade, HelixTrade is backed by a team of over 5,000 professionals worldwide, dedicated to serving clients and communities with unwavering commitment.

WHY HelixTrade? DYNAMIC INVESTMENT SOLUTIONS

HelixTrade is not your average investment company; we are dynamic, innovative, and forward-thinking. Specializing in pipeline transportation, forex trading & stocks, oil and gas, and real estate, our diverse portfolio ensures that your investment journey is as unique as your financial goals.

-
- Holding ourselves to the highest ethical standards Respecting the interests of our clients and stakeholders

A PROFITABLE INVESTMENTS FOR INVESTORS HelixTrade invest has sought to align our interests with those of our investors, investment

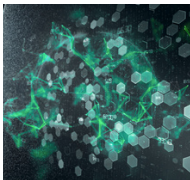

SEAMLESS INTEGRATION OF CRYPTOCURRENCY

HelixTrade is proud to announce our entry into the world of cryptocurrency investments. We recognize the increasing importance of digital assets, and we are here to guide you through a seamless integration of cryptocurrency into your investment portfolio.

WHY START YOUR CRYPTO INVESTMENT JOURNEY WITH HelixTrade?

We advice you, to Set clear financial goals and align your investments with these objectives.

Successful investing starts with clear financial goals. Whether you're saving for a home, education, or retirement, align your investments with your objectives. A well-defined roadmap will guide your decisions and keep your investment journey on track. Diversification is your best ally in the unpredictable world of investments. Spread your capital across different asset classes, such as stocks, bonds, and real estate.

Empowering Your Financial Future with HelixTrade

At HelixTrade, we are dedicated to transforming your financial aspirations into tangible achievements. Our approach is built around your unique vision of success, harnessing the power of diverse perspectives and the strength that comes from challenging conventional boundaries.

As your dedicated partner, we remain deeply connected to your goals and are unwavering in our commitment to working tirelessly on your behalf.

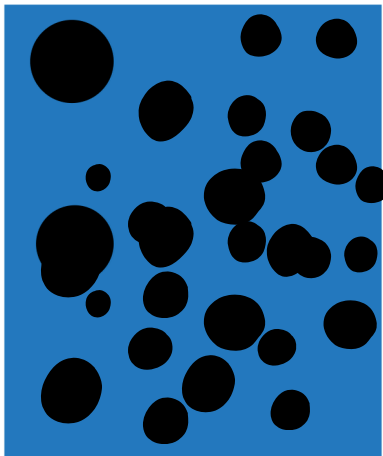

Dedicated Service to Our Clients

We strive every day to earn and maintain the trust of our clients—from individual investors to large-scale global institutions. By leveraging a worldwide network of expertise and insight, we design innovative solutions tailored to the distinct needs of each investor.

Our clients benefit from advanced wealth-planning tools and expert advice, serving high-net-worth individuals, families, and institutions alike. Our mission is to make your capital meaningful by delivering the performance you expect. HelixTrade provides the strategic insight and personalized guidance necessary to help you navigate your financial journey and achieve your goals.

Championing Responsible Investing

At HelixTrade, we recognize that responsible investing is more than a strategy—it is an essential movement.

Our Commitment to Responsible Investing

Our dedication to responsible investing at HelixTrade aligns with your values, providing opportunities to invest in ways that demonstrate both financial expertise and a commitment to positive global impact.

Navigating responsible investing requires more than just intention—it demands concrete, deliberate investment decisions. With numerous options available, identifying the right approach can be challenging. Allow HelixTrade to guide you through the fundamentals. Our methodology extends beyond rhetoric. We develop strategies that simplify complexity with objective clarity, delivering unique insights that transform perspectives and approaches across various markets and sectors. At HelixTrade, responsible investing is not just a concept—it's a fundamental principle we uphold in all our practices.

Supporting Innovation and Growth

In addition to our comprehensive responsible investment strategy, our financial team includes experts specializing in identifying and assessing promising startups. These emerging companies often present significant growth potential, aligning with our mission to discover and nurture ventures capable of becoming substantial, influential enterprises.

Trust HelixTrade to be your dedicated partner in navigating the complex world.

HelixTrade is not just a platform; it is a secure haven to preserve and grow your wealth.

HelixTrade is committed to achieving long-term success in the financial landscape, with a clear focus on delivering strong, sustainable returns for our investors. To make wealth-building accessible to all, we welcome investments starting from as little as \$100.

Our team of experts has conducted extensive research and analysis of key investment markets, resulting in the development of a highly efficient trading strategy. We offer a range of tailored investment packages designed for different timeframes and goals, providing opportunities for optimal returns with carefully managed risks.

Further details about investment terms and options are available within your personal account.

HelixTrade offers a consultative approach to the purchase and sale of physical gold and silver, serving investors at every scale. Our straightforward, tailored strategy is designed to accommodate both novice and experienced investors alike, ensuring that precious metal investments align perfectly with your unique financial objectives.

Whether you're beginning your investment journey or are a seasoned investor, HelixTrade provides expert guidance to help you navigate the precious metals market and identify the most beneficial opportunities for your portfolio.

A Partnership Built on Expertise and Personalization

As investment experts with an unwavering focus on capital protection and security, we recognize that every client's circumstances and objectives are unique. It is these very differences that shape our diverse and customizable range of financial products.

At HelixTrade, every client is assigned a dedicated personal consultant. This expert provides tailored guidance on suitable products, market conditions, and strategic timing—with no obligation to purchase. We believe in building informed partnerships, not simply facilitating transactions.

Our approach to investment goes far beyond a standard shopping basket experience. Each strategy is tailored to the individual investor and is designed with tax efficiency in mind. Our in-house team of specialists—holding advanced qualifications in Law, Accountancy, Investment Banking, and Property—leverages its extensive, cross-disciplinary knowledge to deliver practical and tax-optimized solutions for our clients.

HelixTrade IS A SECURE HAVEN TO PRESERVE AND GROW YOUR MONEY.

In addition to our compelling investment proposal, HelixTrade proudly offers fair and transparent conditions through our affiliate program. Seize the opportunity to embark on your business journey, earning additional income by sharing the potential of our company with others. Our referral rewards program allows you to earn from deposits made by your referrals.

Unlocking Potential with HelixTrade

At HelixTrade, we are driven by the vision of realizing the potential within profitable enterprises. The concept is simple: every business requires starting capital for bureaucratic formalities, premises, equipment, and more. Start-ups often face challenges due to insufficient funds, making it hard to secure the necessary capital from traditional sources.

Experienced Portfolio Managers

HelixTrade has a team of professional account managers dedicated to maximizing client profits.

24/7 Support Service

Understanding the need for reliable assistance, we provide round-the-clock support. You can contact us anytime with questions for a prompt response.

OUR ADVANTAGES

Whether you want to convert personal savings or part of your pension into physical gold or silver, HelixTrade provides tax-efficient solutions. To further protect your investment, our Buy Back Guarantee ensures your gold and silver holdings remain as liquid as cash.

OUR CREDENTIALS

HelixTrade has quickly become a trusted market leader. As proud members of the Royal Numismatic Association, European Numismatic Association, European Chamber of Commerce, and the Information Commissioner's Office, we have been featured in leading publications including FT, Daily Mail, Reuters, WSJ, Money Week, Observer, Guardian, and Your Money.

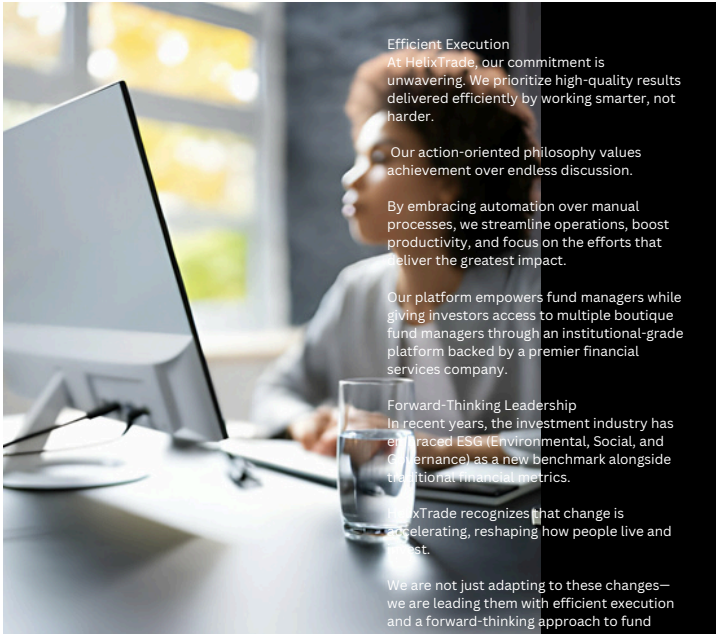

Quality and Performance

At HelixTrade, we take a disciplined, value-driven approach to investment planning, guided by both top-down and bottom-up research. Our mission is to deliver sustainable income and capital growth through consistent, value-based principles.

We prioritize client confidentiality while providing objective financial advice designed to advance your success. Our commitment is driven not by commissions, but by a shared focus on investment performance.

- **Flexible Investment:** HelixTrade provides flexible investment plans tailored to meet your unique financial goals.
- **Proven Track Record:** With a history of successful investments and satisfied clients, we have built a strong reputation and proven track record in the market.
- **Transparent Practices:** We maintain transparency in all transactions, ensuring clients remain fully informed and confident in their decisions.
- **Security and Trust:** Your trust is our highest priority. HelixTrade is committed to maintaining the highest standards of security and integrity across all operations.

Make the smart move with – where HelixTrade your investments are in capable hands.

Efficient Execution

At HelixTrade, our commitment is unwavering. We prioritize high-quality results delivered efficiently by working smarter, not harder.

Our action-oriented philosophy values achievement over endless discussion.

By embracing automation over manual processes, we streamline operations, boost productivity, and focus on the efforts that deliver the greatest impact.

Our platform empowers fund managers while giving investors access to multiple boutique fund managers through an institutional-grade platform backed by a premier financial services company.

Forward-Thinking Leadership

In recent years, the investment industry has embraced ESG (Environmental, Social, and Governance) as a new benchmark alongside traditional financial metrics.

HelixTrade recognizes that change is accelerating, reshaping how people live and invest.

We are not just adapting to these changes—we are leading them with efficient execution and a forward-thinking approach to fund management.

Funds Management Excellence

Our Funds Management division supports emerging investment platforms during their launch and growth phases.

Building on our Investment Management success, this division positions us as leaders in alternative investing.

Leveraging our strong heritage, global network, and financial foundation, we provide portfolio managers with substantial investment capital along with operational support to accelerate growth.

Join HelixTrade—where innovation meets impact.

Join Our Journey – Profitable and Sustainable Investments Await

Embark on a journey of profitable and sustainable investments with HelixTrade. Whether your interests lie in pipeline transportation, forex trading & stocks, oil and gas, or real estate, we provide strategic and responsible investment opportunities. Together, we can build a stronger future through smart and ethical investment practices.

Investment Management at HelixTrade

HelixTrade has established its Investment Management division, building upon our foundation in principal investments to become a leader in alternative investing.

Our team leverages HelixTrade's expertise, network, and financial strength to identify attractive risk-adjusted opportunities across global markets. We manage in-house strategies and corporate holdings, strategically using derivatives and hedging to optimize returns while controlling risk.

Achieve Your Investment Goals

HelixTrade helps you diversify across asset classes with portfolios aligned to your risk tolerance. Our balanced allocation strategy combines equities, bonds, and other instruments to optimize returns while effectively managing risk.

Capital Markets Expertise

Our flexible investment packages accommodate investors of all sizes. Supported by seasoned professionals, HelixTrade delivers strategies for consistent returns and a stronger financial future.

Administrative Support

HelixTrade handles all administrative services—paperwork, contracts, and legal matters—so you can focus on your financial objectives while we manage the details.

Dedicated Assistance and Consulting

With 24/7 support and extensive international experience, we enhance productivity, ensure reliability, and build secure partnerships. At HelixTrade, your success is our commitment.
